

ELECTRONIC FUNDS TRANSFER (EFT)

Your Family Stays Protected Automatically

KEEP YOUR COVERAGE SIMPLE WITH ELECTRONIC FUNDS TRANSFER

Automatic monthly payments—no checks to write, no payments to remember, and no worries about coverage gaps when life gets busy.

Why Employees Choose Electronic Funds Transfer

NEVER MISS A PAYMENT

Similar to a monthly subscription or streaming service, your monthly payment is automatically withdrawn from your bank account each month, so your coverage stays active without any effort from you.

NO EXTRA FEES OR COSTS

Electronic payments are completely free—no processing fees or service charges from Boston Mutual Life.

SEAMLESS COVERAGE PROTECTION

If you change jobs or retire, your payments continue automatically, keeping your insurance in place when you need it most.

SIMPLE AND SECURE

Your banking information is protected with bank-level security, and you control when payments start and stop.
