Take advantage of VIP's special underwriting offer.

$2,000	$50	0 months
Annual max per person	Deductible Type 2 & 3 only	Waiting period Type 1–3

What the plan pays

- **Type 1 — Preventive care — 100%** — **No deductible**
  Exam (1/6 mo), cleaning (1/6 mo), bitewings (1/12 mo), full-mouth/pano (1/5 yr), fluoride & sealants age 15 and under, space maintainers, periapical x-rays.
- **Type 2 — Basic services — 80%** — **$50 deductible**
  Fillings, posterior composites, nonsurgical endo and perio, simple extractions, denture repair, anesthesia.
- **Type 3 — Major services — 50%** — **$50 deductible**
  Crowns & onlays (1/7 yr per tooth), crown repair, surgical endo/perio, bridges and dentures (1/7 yr), complex extractions.

Special benefits for VIP clients only

- **Unused maximum can roll forward.**
  This is Dental Rewards. If you get your preventive care and the plan pays $750 or less in benefits that year, $400 carries into the next year. You can do that up to three years in a row, so as much as $1,200 can sit on top of the regular $2,000 annual maximum when you need a bigger year.
- **No waiting periods.**
  Even major services don't have a 12-month waiting period like most dental plans. Crowns, root canals, and extractions can be used when coverage starts.
- **Missing teeth are still covered.**
  A tooth that might already be missing isn't excluded from the care you need. This plan does not use a missing-tooth clause.
- **More of the common work pays at 80%.**
  Root canals, gum treatment, oral surgery, and extractions are paid as basic services at 80%, not dropped to 50% like a lot of plans treat them.
- **In-network fees are contracted.**
  When you use an Ameritas dentist, the plan pays off a discounted contracted fee instead of a full retail charge.
- **Rates stay put for two years.**
  The group rate is guaranteed for 24 months. After that, any increase is capped at 5%.
- **Preventive care does not eat the deductible.**
  Cleanings, exams, and x-rays have no deductible. The $50 deductible applies to basic and major work only, and the family cap is $150.

Eyewear Savings

Ameritas plan members may receive up to 10% off eyewear frames and lenses purchased at any Walmart Vision Center nationwide. Members may also bring in their current vision prescription from any vision care provider and purchase eyewear at Walmart. This savings arrangement is not insurance: it is available to members at no additional cost to their plan premium.

To receive the eyewear savings identification card, Ameritas plan members can visit ameritas.com and sign-in (or create) a secure member account. Members must present the Ameritas Eyewear Savings Card at time of purchase to receive the discount.

Dental Rewards®

This dental plan includes a valuable feature that allows qualifying plan members to carryover part of their unused annual maximum. A member earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	$750	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	$400	Dental Rewards amount is added to the following year's maximum
Maximum Carryover	$1,200	Maximum possible accumulation for Dental Rewards

Dental Network Information

To find a provider, visit ameritas.com and select **FIND A PROVIDER,** then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553.

Your provider network is Ameritas Classic and Plus Network.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Dental Cost Estimator

Members can use our dental cost estimator at any time to find average procedure charges in their area. The estimates do not include network discounts or plan benefits. Find the dental cost estimator at ameritas.com/applications/group/estimator.

After coverage begins, members can view average in-network charges in their secure member account. Members also may ask their dentist's office to submit a pretreatment estimate so they can see exactly how a proposed service would be covered and avoid any surprises. The pretreatment estimate is based on their plan benefits.

Worldwide Support

If a member has a dental emergency outside the U.S., AXA Assistance can help. AXA provides credible provider referrals and can even help with making the appointment. Providers referred by AXA are not members of the Ameritas network. AXA contact information is available in the secure member account.
